1. Jones Valley pool is not a "public pool"; therefore, no one will be admitted to swim unless accompanied by a member.
2. There will be a nominal guest fee for each in-town guest. This fee is established by the Board of Directors and will be published in the spring newsletter. There will be no sale of tickets for admission to the pool under any circumstance.
3. There is no charge for the following categories of guests: out-of-town guests (outside Huntsville city limits), non-swimming visitors who are wearing street clothes, full-time baby sitters, 16 years or older, who are employed as full time day care providers, children or grandchildren under 18 who are accompanied by the parent or grandparent member.
4. A member 16 years or older must register guests.
5. Members are responsible for the action of their guests.
